

Back to School Clothing and Footwear Allowance

This is a payment from the Department of Employment Affairs and Social Protection under the Supplementary Welfare Allowance scheme, aimed at supporting families with the cost of school uniforms and footwear.

In order to be considered eligible for the payment there are a number of conditions.

- A parent or guardian must be in receipt of a social welfare payment or certain payments for training, education or employment schemes. This may include those attending approved employment schemes, for example, Community Employment schemes or Tús, as well as recognised education or training courses
- Children must be aged between 4 and 17 (by the 30th September 2018) and in full-time education at a recognised school or college. Those aged between 18 and 22 must be in full time second level education.
- Your household income must be below a certain amount for your household size.

The income limits for a lone parent are set according to the number of children in the family. Household income is assessed as your main social welfare payment or HSE payment and income from work (before tax but less PRSI and €20 travel costs), maintenance, savings and investments, plus the income of a qualified child attending Youthreach. Working Family Payment is not counted in the income limit and neither is Rent Supplement, Mortgage Interest Supplement, Domiciliary Care Allowance nor the Student Grant Scheme, Blind Welfare Allowance or Mobility Allowance.

It is a means tested payment so there are income limits that apply:

Lone parent with	Income limit in 2018
1 child	€425.10
2 children	€456.90
3 children	€488.70
4 children	€520.50

In 2018, the rate of payment will be €125 per child aged 4 – 11 and for children aged 12 - 22 it is €250.

Children aged between 18 and 22 years must be returning to full-time second-level education in a recognised school or college in the autumn of 2018.
